

Wire Rope Thimble

M6-M24

PRODUCT NAME	Stainless Steel Wire Rope Thimble
PRODUCT CODE	DEC-WRT-SS316
PRODUCT CATEGORY	Horizontal Lifeline Component
MATERIAL	Marine Grade SS316 Stainless Steel

PRODUCT DESCRIPTION

Marine-grade SS316 stainless steel wire rope thimble designed to protect wire rope eyes from wear, deformation and abrasion. It maintains the correct bend radius and increases service life in lifting, rigging and horizontal lifeline systems.
